## WORMS AND THE CORN CROP.

Mr. R. B. Riggan of Springdale was  
in Maysville yesterday and in reply to  
the question if there had been any corn  
planted said, some, and that the cut  
worms were waiting for it. He also said  
that there were more fishing worms this  
spring than he ever saw. This is a  
sign of plenty of fish and a large corn  
crop.

## RENOMINATION SOUGHT

By Caleb Powers in Eleventh District  
of Kentucky.

Washington.—Representative Caleb  
Powers gave out a statement formally  
announcing his candidacy for renomina-  
tion for Congress in the Eleventh Ken-  
tucky District. It is as follows:

"Upon the receipt of a telegram this  
morning from a friend stating that  
State Senator J. F. Bosworth (of Mid-  
dlesboro) announcement for Congress  
would appear in this week's papers I  
sent Bosworth this message: 'We  
agreed to give each other at least 10  
days' notice of our announcements. I  
would like to make mine about June 1.  
How does this suit you?'

"His stenographer wired me as fol-  
lows: 'Your wire received. Senator  
Bosworth out of city. Will be back  
Sunday.'"

Powers then states: "I will be a  
candidate for Congress whether Senator  
Bosworth runs or not, but will with-  
hold my formal announcement under  
our agreement until I know more. I  
expect to be in Kentucky engaged in  
my campaign by the first week in  
June."

Williamsburg.—The jury returned a

IN THE RING.

Washington.—Senator Bradley held  
an informal reception in the Senate

left hand swathed in bandages and a  
patch of court-plaster on his forehead

ceived in running for a street car on  
Capitol Hill last Thursday.

His colleagues congratulated him on  
his recovery and his gameness in get-  
ting back into the "congressional har-  
ness" so soon. The two broken fingers  
and the cut over the eye are healing  
satisfactorily, Senator Bradley's phy-  
sician said today.

## Public Appreciation--the Sign of Success

That the class of clothes we handle is appreciated, is evidenced by our large number of satis-  
fied customers.

Most men have learned the importance of dressing well. The average man knows that good  
clothing is a business asset. Long experience has taught us to discriminate in selecting clothes  
that we think well-dressed men demand. When you purchase one of our new suits you will be  
becoming clothed in a suit that will add to the effectiveness of your appearance, and at moderate  
expense too. If you are a stranger to our clothes come around and let us show you the new  
models.

The public by this time has learned that our men's and boy's shoes are of the highest grades.
